

**FAI World Championships
for Pylon Racing Model Aircraft 2025**

F3D + F3E

Germany, July 22th – July 26th 2025 Airfield Rothenburg / Goerlitz

**FAI World Championships
for Pylon Racing Model Aircraft**

2025

F3D   **F3E** 

Rothenburg/OL - Germany

Bulletin 2

Changes and additions to Bulletin 1

Organizers / Organization

Insurance

The organizer will not provide a liability insurance in accordance with the legal provisions of the host country and the FAI regulations. Each Participant is responsible having a suitable liability insurance for model aircraft that is valid in Germany throughout the event. Proof of insurance (a hard or digital copy) must be provided in German or English.

The organizer will provide health insurance for all participants (Team managers, pilots, callers) and FAI officials who live in Non-Schengen countries. All participants are also advised to check their own health and travel insurance requirements before starting their trip.

Competitions

Contest director / FAI jury

Contest director: Rob Metkemeijer

The FAI jury will be: Massimo Semoli
Marcus Griggs
Uwe Garack

Fuel F3D

Fuel for practice will be provided by the Organizers for € 25 per 3 litre cans. Fuel for practice must be ordered with the Final Entry Form. There is a new FEF (version 2) in which you can also order fuel. The new form is published on the homepage: <https://www.rlsv.de/WC2025F3DE/wc2025f3de.html>

Power for charging flight batteries for F3E / energy limiters

Power Supplies (220V/50Hz) will be available in the pits for charging the F3E flight batteries.

According to 5.3.5.3.2 the organizer will provide for every competitor 2 limiters. These will be drawn by competitors every day. The limiters have to be returned end of day.

The organizer will provide information in Bulletin 3 how this will be done exactly. Limiters will also be provided in a similar way at no cost during WC free practice and official practice.

The specs and manual of this limiter will be available end of May.

The type of Energy limiter that will be used is: PD Limiter, version 2025.

The design is very similar to 2023 version V2.03.

Length ~3 mm longer than 2023 version, better quality 6mm connectors (LMT), LED's one side only.

The limiter design has been substantially improved for EMI, suppressing interference from ESC.

Limiters of this type can be supplied to competitors that want to practice with this limiter before the WC.

They can order them directly from Peet Doddema, request via E-mail:
peet.doddema@outlook.com

This offer is only for F3E competitors, with a maximum of 2 per competitor.

Exact price is not known yet.

The limiters can be shipped in May 2025.

[Entry forms and Biographical information form for team members and deadlines](#)

Since a confirmed sponsor withdrew immediately after the "preliminary registration" deadline, we have decided to allocate wildcards to secure funding. We have already discussed this with the Air Sports Commission.

The goal of allocating wildcards is to attract an additional four to five participants to the World Championships.

[Final Entry Forms \(FEF version 3\)](#) are published on the web site as an Excel-file.

The final entry form must be sent to the organizer by e-mail no later than 10th April 2025: wc2025f3de@e-mail.de.

Entries received after this date will be subject to a penalty fee.

The penalty fee is 20 % of the entry fee.

Make sure that all worksheets of the Excel entry form are filled correctly.

We kindly request all teams to fill this form accurately including biographical details, shirt sizes and fuel needed for practice flights.

All pilots are requested to provide their birth date and full home address with the entry form.

We need this for insurance purposes. All provided personal details will be used for this purpose only, no information will be shared to third parties in compliance with EU Directive 95/46/EG.

[The Biographical information form for team members](#) is published on the web site as PDF-file.

The Biographical information form for team members must be completed for each team manager, pilot and caller.

The forms must be returned by April 10th 2025 by e-mail to wc2025f3de@e-mail.de. Please include a digital photograph.

We need this information perhaps for a small booklet.

Supporters and helpers must cover the cost for T-shirts themselves. Please order accordingly in the FEF.
